

# Refurb Supplies

**WOW!**

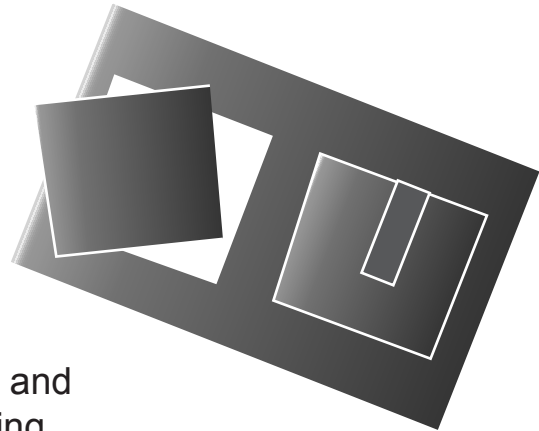

**Make your Toshiba EKT  
or DKTphones look like new !**

**These durable Lexan inserts will not  
peel, fade or wear out. No need to repaint!**

## **Step 1:**

Before applying insert, clean the handset cradle with rubbing alcohol or any other household cleaner. Dry surface thoroughly.

## **Step 2:**

Peel the insert from the backing and press firmly into the corresponding handset cradle cup.
